Teacher Reimbursement~ May 6th is the deadline for teacher reimbursements. The board addressed a possible change for teacher reimbursement qualification, for the up coming school year. Kelly Hinson has encouraged the teachers to get involved; she would like to know if there is any other way staff can help other than attending events.

Board replies that there are many other ways to help, promoting events and fundraisers is the key to the success of the events, sending out emails, reminders, and flyers is a huge help.

Yearbook~ Melanie reminder; Deadline to order a yearbook is still 3/31/11 we get charged a \$600. penalty fee for not meeting the deadline. Faculty pays \$18. Teachers need to please check spelling. Baby photos for 5th graders are also due ASAP. A new mom complaint has surfaced; she is a great mom, very enthusiastic and we apologized for any inconvenience she has caused.

Committees~ The Board would like to see more parents involved in heading up *committees* if the teachers/ staff know of any great parents who would like to get involved, please send out an email about our needs.

Mother/Son Kickball~ Melanie addressed the event will take place Sunday May 15th same place as last year, near bus parking lot. Kevin Darge will be helping head that committee.

Great Wolf Lodge Fundraiser Kickoff~ The Board is going to scrap the Capital Campaign. The Great Wolf Lodge will be raffled/auctioned at Picnic-n-the Park.

General Discussion and Q&A:

What's up for Earth Day? The board will give the beautification budget to start a recycling program. The committee has a concept to pledge a leaf on a tree they will display in the front hall. The committee needs to investigate the possible Capital Outlay here in the town of Mooresville.

How much was made in baskets last year?
Approximately \$3,500.00 was made last year at Picnic-the Park that's including baskets/concessions.

The board would like to introduce a possible fundraiser for next year. This would take the place of other fundraisers on the calendar. Boosterthon Fun Run is a company that's based on Changing the World by strengthening schools through fitness, leadership, and character. They receive 48% of profit and the school receives 52%. They do all the leg work. If we could have them come and meet with the board that would be great.
Board members agree this would be a great idea.

Next meeting: will be held April 21st at 2:30pm.

Meeting Adjourned: by Melanie Conklin at 3:30pm.
