

Enhancement Night – Meet the PTO

February 16, 4-6 pm

Come and meet your child's Enhancement Teachers. Drop in between 4- 6 to see student work showcased, and let your child show off all of the magnificent things they are learning in enhancement classes. This is an open house format so please come and go between the classes you wish.

Classes that will be showcased that night include:
Art, Music, Media Center, PE and Technology

Art: We will be doing an Art Class fundraiser the night of Enhancement night. Please stop by the Art room to receive a packet with your child's artwork in which you can order products from a local business, The Friendly Frog, They will be giving back 30 % of all profits to the Art Department to purchase much needed supplies.

PTO Meet and Greet

Dear Parents,

Have you ever been curious about what exactly the PTO does for our school? Why we do the fundraisers we do? What each person's role is on the board? If you would like more info about us and our positions I welcome you to come, sit and chat and ask us the questions you want the answers to. We will have snacks to serve and raffles to give away. We will have ice cream and popcorn to keep the kids happy too.

I would love to show you what the money you have helped raise has gone to this year.

Dates to Remember:

Chic Fil A Night – March 26th
Talent Show – April
Mother Son Event – May 6
Picnic in the Park – 6/1
Pretzel Days – 2/10, 3/2, 4/20, & 5/11

Remember to link your Harris Teeter card to our school #3655

Help us help the environment, Recycle your Coke Reward Caps, glue sticks, Capri sun pouches, Box Tops, Campbell's soup labels, and Ink Cartridges
